

# ADOT/AGC Pavement Preservation Workshops

## What's Up in Pavement Preservation

### “SUCCESS IN PAVEMENT PRESERVATION”

**Pavement Preservation  
Workshop Schedule  
8:30 AM—2:30 PM**

◆ Tucson—4/17/18

**Pima County Mission Yard  
1313 S. Mission Road,  
Building 10,  
Tucson 85613**

**“Safety Conference Room”**

**Joe Soto, 520-724-2604**

**Crack Sealing, Patching, Surface Seals, Scrub Seal, Micro/Slurry Seal, Chip Seal, CIR/HIR and More.**

**Join us for a series of Pavement Preservation Workshops  
Sponsored By Arizona DOT and the Arizona AGC Pavement Preservation  
Committee.**

Discussions will focus on proper procedure and inspection for all pavement preservation applications. The Speakers will be prepared to answer your questions and concerns regarding all aspects of pavement preservation. Please be prepared to openly discuss your issues (good and bad).

Registration closes one week prior to each event. Register at [www.azagc.org](http://www.azagc.org) for location you are attending.
